

Catherine Kay Fallon

December 1, 1973 - March 22, 2021

You took a piece of me with you the day you left,
leaving me unable to catch my breath.

This isn't how it was supposed to be!

The world carries on like nothing has happened, but not me.

~Jody M. Kucera

Our beautiful and beloved daughter, sister, aunt, niece, cousin, friend and pet mom to Freddy & Franky, Catherine (Cathy) Fallon, died unexpectedly on March 22, 2021. Our hearts are broken into millions of pieces at the loss of her. We were given the most precious of gifts, to have 47 years with her.

Her proud and strong-willed spirit, heart-on-her-sleeve emotions, kindness, compassion, and glorious smile are remembered by all who crossed her path. She was the best of us. When you think of Cathy, celebrate the good memories you have of her. Remember that life is fragile and short and should be lived to the fullest.

Cathy had a love for science leading her to work in Radiology. She loved helping people and family was everything to her. She enjoyed cooking and baking and often shared her accomplishments with family and friends.

Cathy is surrounded by a wide circle of those who loved her beyond words. They include her precious kitty's, Freddy and Franky; father and stepmother, Ken and Brenda Fallon; mother, Brenda Walczewski; sister, Christine (Bill Amato) Goodman; brothers, Jeffery (Genoveva) Fallon and Richard (Kristen) Bovee; nieces, Lucy Fallon, Alexa Bovee; nephews, Nicholas Goodman, Vincent Amato, David Bovee, Ronald Bovee and Jeffery Fallon II; aunts, uncles, cousins and friends. She is predeceased by her grandparents, an uncle, and a very dear friend.

She will be deeply missed by all who knew and loved her.

A virtual Celebration of Life is planned for a later date.

In lieu of flowers, the family is requesting that a donation be made in Cathy's name to the Animal Refuge Center Inc. <http://www.animalrefugecenter.com/donate>

“ To our beautiful daughter Catherine, I cannot even find words to explain how much we are hurting right now. Loosing a child is the ultimate loss for any parent to have to endure in a lifetime. We will never be the same without her. Catherine was a very strong willed child from day one. She always accomplished whatever it was she wanted to do in life. We all were so proud of her. She loved life and cared so much for others, and always tried to help because that is just the kind of person she was. She always put others first. This week I have lost a piece of my heart that I will never regain. You are an angel now, watching down on us. Know that we will meet again some day. I have lost a part of myself in loosing you. Always face the sun , and know you were so loved by me. Love You, Mom....

“ My Condolences to all of Cathy’s family and loved ones. Although I never had the opportunity to meet you, I know how much Cathy loved you. She was filled with a light and joy whenever she shared her memories of you all. Cathy was a fast friend to me at a very dark time in my life snd she lifted me up with her kindness and laughter. I will never forget her. Much love and caring thoughts to you all.

“ My sweet and beautiful little sister. I don't know what I'm going to do without you Cathy. I'm going to miss us sending random “WOWZERS” texts to each other. I'm remembering so much we did. As kids being afraid the ants from the cherry trees outside were going to get us so we put our mattresses on the floor and played boat until we fell asleep. You weren't afraid to tell me my hair looked looked awful or that I was beautiful. We could tell each other how we felt. What I remember the most right now is how you called me Chrissy and how much of a hero you are to me. I can't say enough in such a small area. YOU were bigger than life and I will never be the same. I love you Cathy. Forever.
