“ My name is Michelle but I go by Shelly for most people although I didn't grow up with Cindy go to high school with Cindy thru my cousin Wendy Maxheimer and Randy Kelley I was introduced to Cindy and Lowell I believe I've known the George family for about 20 years now. I made a lot of trips up to Linden over the years The memories I have of Cindy she taught me how to play hearts she taught me how to play hold em I always enjoyed playing cards poker etc. with Cindy she always won most of the time she was good!! Then the family moved to Florida I believe I've been to her home in Florida three times she was always welcoming when I came along with Wendy Holly and Randy she would take me to the flea market because I hadn't really ever been to one she took us for rides on the golf cart her grilling skills were perfection! she turned me on to Publix their sandwiches ..every day I was there I have to make a trip and get one she love going to the Salvation Army we would do that too But I think one of my fondest memories of Cindy was how giving she was she could do everything build a house put a floor in paint etc. there was nothing she couldn't do she even built a little patio out in the back off her screened in patio in Florida so we could lay out there when we came for my 50th birthday when I walked in from the airport she had a cake and balloons waiting for me and then as a surprise my cousin Wendy and Cindy booked a room in Captiva Island for the night it was amazing I couldn't asked for a better 50th birthday I will cherish those memories always she always opened her home to me May you rest in peace Cindy you left a mark on this world! Love ,hugs and prayers to Lowell , Merrick and her family

“ Cindi was my neighbor and my Friend. She was always there to lend a hand at whatever I was doing. After my husband died Cindi could always lift my spirits and make me laugh. She was a special lady as well as a dear friend. I will miss her greatly but she will eternally be in my heart!

“ Memory Eternal! My fondest memories with Cindi, was having the pleasure of playing golf with her and Lowell. I remember the first time we played at Babcock National Golf Club in Punta Gorda FL, I was unsure how this was going to go with husband and wife and as competitive as they both are. Well, let's just say this was one of my most enjoyable and memorable rounds of golf with two of the most pleasant, humble, competitive, and inspiring friends. I truly enjoyed watching Cindi hit fairway after fairway, launching her tee shots well past ours, and hitting green after green in regulation. Needless to say, I will always cherish the moments with Cindi and LG. You are Loved more than than you will ever know! May your Memory be Eternal!

“ I don't have many personal memories of Cindi, mostly those that my dear friend Lowell has shared with me over the years. From those, I can tell you that she was a strong woman, wife, and mother. She was also very supportive and assertive, and would stop at nothing to take care of those she loved! From the memories I did personally share with her, whether it be on the boat with her as our fabulous captain or just hanging out, the thing I remember most was her smile, her laugh, and just all around love of life and having fun! Cindi loved well and was well-loved, and she will be missed!

“ I have tons of memories of Cindy. I played HS softball with her. I worked on the Day strawberry farm in the summers for coach Day and Cindy would call me and drop by my house so I could braid her hair all the time!!! She was always so much fun to be around and had a special way of making everyone feel loved! I know she will be missed immensely.
