

## Dayna Bohannon Moss

August 24, 1956 - September 19, 2021

Dayna Jean (Fulton) Moss “ Mom” “Gam” “Ma” passed away September 19 2021 early morning at her home in Ft Meyers Florida. She was born in Butler Missouri and lived most of her life in Greenville/ Sulphar Springs area in Texas and had been recently residing in Florida. Dayna was a beloved wife and best friend to Tommy Moss her husband of 21 years. Dayna was also a loving mother to Kristofer “ BO” Bohannon, Michael “ Corey “ Bohannon and wife Jessica Bohannon. Dayna was a doting grandmother of Michael, Nathan, Noah, and Nicolas Bohannon. She is survived by all the listed above and countless others. Dayna was preceded in death by her father Ronald Fulton and mother Sue Fulton. Dayna had a very giving sole and a special way of letting others know she was listening. Her kind words and gestures will be missed by many. I know those close to her will miss her pretty blue eyes, her optimism, and her love for music. At this time family has decided to morning in private.
