“ My heart feels so sad. I was blessed to know Sheryl and have her had in my life. I can't even count on one hand all my true friends. Sheryl was a true genuine friend, that would do anything for you. She had heart of gold. She always had your back no matter what. She never judged anyone. She made me laugh we always had fun even at working at Viva Las vegas. Her love for animals was amazing. She love my dogs as if they were her own. She always called me her jersey girl, both our home state. She also called me punkalena. Until we meet again my dear friend. I love you.

“ I was blessed to have known this shining star. To the whole family my deepest sympathy at this difficult time. I always remember her smile would light up a room and it saddened me to hear that she at such a young age has passed.

“ Where do I start.  
So many many memories .  
It all started I believe bus #719.. My mom was your bus driver.. And that's how you became our babysitter. From there when we moved to Florida you later followed..  
You were always my go to when my mom was sick. One of my favorite memories is

when my Daughter Rylee cut her barbies hair to look like Sheryl.. We laughed until we peed ourselves..

Or the night the fireants were in the bed and we got bite to pieces and jump in the pool. Oh and don't forget many of rides in your granam

And When my mom got sick you can right over and stayed by her side.. Thank you for always being there for us.. I will forever be your bird...

You will forever be in our hearts.

May you rest in piece..

Love and miss ya already

Love Robin(aka bird) Tilford and Rylee..
