“ Grace, Dan, Luke, Michael, and family,

During this time of sorrow, remember Adam is in a wonderful place with The Lord now. Adam would want you to remember all the memories you had with him and cherish them forever. He grew up to be a wonderful young man and he will be missed dearly. I too will miss Adam and will treasure the memories I have. I love you all.

“ Grace, Danny and family. No mere words can express what the Richardsdson family is feeling for you right now. We are stunned and so deeply saddened. We are simply here for you all as you continue this journey, and we are grateful to be able to be able to tell you what a gift we had in Adam. Beautiful, kind, caring young man. All of our love forever, The Richardsons

“ Adam you are: thoughtfull, caring, smart,sensitive,

A rainbow full of sunshine and warmth

Our hearts grieve our lost and heavens gain

Your words: why stand when you can sit.

If tears could build a stairway

And memories were a lane,

I would walk right up to heaven

To bring you home again

No farewell words were spoken.

No time to say good-bye.

You were gone before we knew it,

And only God knows why.

Don't grieve for me, for now I'm free

I'm following the path God laid for me

I took His hand when I heard Him call

I turned my back and left it all.

I could not stay another day, to laugh,

to love, to work or play.

Tasks undone must stay that way

I've found that peace at the close of the day

“ *I can't seem to find the words to describe how i feel other than regret. When you were young you were my little boy quiet and calm, but as you grew we grew apart. I blame myself because I wish I got to know you like your closest friends and family. But this is not about me. You will be missed, You will be cherished. Now you are with Grandma and my little girl Emmalynn, look out for each other.*

I love you!

Your cousin, Stephanie

“ *The angels are always near to those who are grieving,*

to whisper to them that their loved ones are safe in the hand of God.

Danny & Grace, our sincere condolences for the sudden loss of your dear Adam. Our thoughts and prayers go out to you and your family at this difficult time.

Adam was very fortunate to have you both as parents and you were both very fortunate to have such a loved young man in your life. As a mother myself, I am certain that no comfort is adequate for such a loss.

Please pass on our deepest sympathies to Michael, Lucas and to all of your family.

Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.
