“ *Dear Michelle and girls,  
As I told you before, I am at a loss for words. Our hearts ache for you. No mother should ever have to bury her child. We were neighbors for but a short while but I will never forget you or your kids - each so unique and beautiful. Aden was, or seemed to be, going through one of those quiet moods that only a teen can do but he was always respectful and friendly. Still miss you guys living next door; God bless you ladies. Please know that you are in our thoughts and prayers*
