“ We knew Penny for many years through Sonny's, even before our 22-year-old daughter was born. She always had a smile and kind words for everyone. She especially loved children and was a favorite of our daughter. Penny, you will be greatly missed. God bless you!

“ We knew and loved Miss Penny from being long time Sonny's customers. As employees at Doc Williams office (2002-2006), we got to know her even better. She was a great lady and will be missed by all who knew her.

“ Penny was a true blessing to all of us. I worked with her for many years. When my daughter was born she was the first to see her. She treated her as her own. Back then going to Sonnys was great to see Penny. She had a love for people. Her kindness and compassion will never be forgotten. Just think of all the lives she made better just by knowing her.

“ One of a kind woman and employee. They threw away the mold after God created her. Her loyalty and dedication was second to no one I have ever met in my 40 years of the customer service and restaurant industry. "You were missed after your retirement and you will be missed always!" Special love!
