Thanks Marcia, those are great pics. I've never seen any pics that old of my DAD! Yes, I had your mom for Health Education in 8th grade & she kept me after class many times to tell me how she adored my father and how you 2 dated, and a bunch of stories I can't remember. She was a great woman as well!!

“ I was deeply saddened to hear of Alan's passing. He was my high school boyfriend for 2 1/2 years, and I remember him with such fondness. In many ways, we were more like best friends. He was very close with my family, too. We kept in touch off and on, and he visited me once with Alan Jr, who was 5 at the time! I think Alan Jr. might have also had my mother as a math teacher (Mrs. Meyers). I regret that we didn't keep the connection going. He was so handsome, had a great attitude and was so much fun to be with. I was also close with Bess, his mom. They had a crazy parakeet named Chirpy who did not live in a cage! My memories of time spent with him are wonderful.

It seems he had a wonderful life with family and loved being in Florida. I wish I knew you, wish I could be there to offer my condolences in person. I know you must be deeply saddened and am so very sorry for your loss. Please know that many feel your sorrow, but we will also remember him with much love.
