“ *I don't know what made me think about Red today but I was wondering how things were. I haven't been connected to the fishing community in quite awhile and missed my correspondences with Red. He and my dad were friends in the 70s and I was on his show several times after my dad's passing, discussing artificial reefs and what not... I'm going to miss Red. He reminded me of my dad a lot.*

*God Bless
