“ Mom, this has been so incredibly hard without you here. You meant the world 🌍 to me and the girls. You had a beautiful heart of gold and would do anything for anyone, you were always there when you were needed . We became so close over the years and I will forever cherish our memories. I’m so thankful we were able to spend so much time together over the summer me and the girls will always have those memories. I know you’re no longer in pain and I know you’re in heaven now and reunited with family. You will always be in my heart, everywhere I go. The girls and I love and miss you so much. ❤️💔😘
