“ Both Aleta & I enrolled at Vacaville High School the same morning as sophomores and we became fast friends. Spent a lot of time at her home with her mom and brothers. Her dad was transferred during our senior year, but we stayed in touch for many years. Last time we spent time together our kids were young and the Scheidt’s were visiting San Diego. She was such a bright spot in my life. -

“ *Aleta was a dear friend for 61 years for me and 21 for my wife Margaret. Margaret and Aleta hit it off from the first day of the Reunion. We can both remember Margaret helping Walt find a dentist when he had the need here in Las Vegas. All through the years we have maintained our close friendship. Margaret and I will both miss her, but never forget.*

“ *Although Aleta and I spent very little time together, we formed a lasting and loving friendship. She called each of us "Outlaw Cuz". Nearly five years ago I returned to my beloved California and received a surprise gift in the mail. Such timing, even though Aleta did not know I had just moved, I considered it a "welcome home" gift. She sent me a gorgeous porcelain rocking horse just because she knew I collect rocking horses. Her gift has a prominent place in my living room where I see it every single day and think of her. That sweet generosity was so Aleta! I will miss her and I am grateful and blessed for her love and friendship which will stay with me forever. Godspeed, dear Outlaw Cuz.*
