

Alicia Denise Penrod

November 8, 1954 - October 2, 2016

Alicia's children - Melissa, Matthew, Kathleen, and Sarah are releasing her to eternal everlasting peace to be with the Lord. Alicia was a driven woman who loved people and loved to laugh and loved life. She lived her life to the fullest everyday and then some. Her strength is persevering through all of her family and friends as we celebrate her amazing life and who she was. Alicia had found her perfect match in Harold Penrod - most people only dream about this kind of love that they shared together. Love is only a single word of many words that describe the beautiful relationship Alicia and Harold shared. Alicia was an adventurous soul, she was not afraid to go anywhere or try anything. She traveled to other continents to provide medical care and comfort to the under privileged and less fortunate. She not only fought for humanitarian rights she was a strong supporter of animal rights.

Alicia is remembered by: her beloved husband Harold, her brother Larry, sisters Patricia and Joni; children Sarah, Melissa, Matthew, Kathleen, Dwight, Jesse and Timothy. Also her many Grandchildren: Quincy, Clara, Cooper, Jacob, Leah, Matthew, George, Jamieson, Alicia, Nevaeh, Gianna, Melanie, Kali, Allyson, Jacob and Aiden. Alicia is especially remembered by her niece Amanda-Rae and her sister at heart Cathi Peterson. Also remembered by her many friends and family, as well as her beloved pets, Henry, Charlie, Lumpie, OC, Puss puss and Sunny.

Alicia will never be forgotten.

“ Alicia was the kindest loving nurse I have ever had the privilege to know in my life she was definitely one of a kind. I feel so lucky to have known and loved her she talked about her family all the time she would say how much she loved them and that her husband was the love of her life along with Henry. I am going to miss you and I will never forget the kindest angel you were and how much love and happiness you had in you so please rest in peace until we meet again "you will be missed" I LOVE YOU.

*we saw you getting weak,
And a care was not so far,
So the girl ran around you,
And whispered "Come to Me".
With tearful eyes we watched you,
And saw you pass away.
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
And working hands at rest.*

“ *She grabbed life with both hands wanting to live every moment. She loved Harold with a depth and strength and tenderness that was beautiful to see. I am without a doubt a better person through knowing and loving her. The only thing that is keeping me together right now is my faith that she is grabbing this next chapter with both hands and experiencing everything beautiful it has to offer*

“ *Lee was hilarious, pragmatic, and so incredibly full of life. She was beautiful, stubborn, smart as a whip, and straightforward as the day is long. It was a joy to see her smiling face and enjoy her company and conversation. The world has lost an wonderful woman. I grieve for her family and those of us who were fortunate enough to call her our friend.*
