“ *Today, I took the girls on a ride to explore the new place we moved to. As we went to turn onto this gravel road, I yelled, oh heck no, there is Billies down there. They're just trying to lure us in. I don't think I have ever laughed as hard as I did the night that we went out just driving around in the woods. You were so afraid, I thought you were going to pee your pants. I haven't referred to a Hillbilly as anything else but a Billie since. RIP ❤️❤️❤️*
