“Baby girl Aliyah, we didn't know you but our hearts are breaking. Your final decision has left many behind asking why. Now, only you and God know this answer. We pray you are able to rest peacefully with the angels above smiling in the Lord's presence. Your beauty will live on forever sweet child. Tonya, I feel your pain more than many and am available anytime to talk, listen or just cry on. She is beautiful and God blessed you with an angel on Earth if only for a short time. May God hold you and her family in the palm of his hands comforting, loving, and showing his grace and mercy upon you every day!
