“ I am so very deeply saddened of this news. I met Al 36 years ago. I was a Flight Attendant for Republic Airlines, and Al worked on the ramp. There was a hotel close to the airport where airline employees frequented. Long story short, there were electronic dart boards and they made Al and I partners on a team. The rest is history! We played darts all the time and also became coffee buddies and met several times a week. Al was always willing to help with anything. He helped me move a couple of times, pick up furniture, and gave me a hand putting in a wood floor. After he transferred to Florida, we stayed in touch and we never missed wishing each other a Happy Birthday. He was truly a good friend and I will miss him dearly. I will cherish all the memories.

“ Thank you Robin for sharing this with me. I will miss seeing him with you on Zoom. I am so thankful I was able to spend a little bit of time with him, in the hospital, getting to know him. I know his lodge family will miss him dearly. 💜

*It's with great sadness I post this memory. Robin loved Allan dearly . You could see it in the way she treated him up to his death. Always treating him with dignity , compassion , and kindness. It will be a wonderful time when he awakens to seeing a wonderful paradise as Jesus words say at Matt 5:4 ..5:5. also 5:8. Thinking of you in this time of sorrow with love.... Love Elaine Vinish*
