“ *I met Drew working at Ihop. He was very loving and kind. Drew would help anyone. When he got to excited his studdering would come out. It was amazing to watch him work through it. I was very proud of him when he came back with his new family I knew he wanted kids. He was awesome. I feel very privilege to know Drew. My prayers goes out to his wife, kids and family. Drew loved all of you and was a proud poppa. My condolences to you in your time of need.*
