

Andrew Joseph Denney

October 29, 1984 - December 7, 2024

Andrew was a man who likes to see others smile and live life to the fullest. His battle with cancer has been a rough and long road but he is finally out of pain and flying high above us with the angels. He has been reunited with his loved ones who beat us up there (nephew- Eric Paul-Cox, cousins-Dennis Gubala and Tiffany Fifer, Aunt-Rita Bennett-Prossor, Greg Pemberton, father Joseph Rohaley. He loved to travel and absolutely loved Seattle Washington and all his friends he made there. He will be returning back to Seattle for all those who know him. Andrew loved this city as much as the camping trips. His family will miss him deeply and knew he was ready to go. His laughter and eccentric ways of telling a story will give us joy for the days to come. Andrew was a Certified Nursing Assistant, Waiter, and his final job was working at Bristol Myers Squid. Andrew leaves behind his mother Judi Fifer-Nelson, stepfather Robert Nelson, Kassie Rohaley-sister, Shayne Parris- brother, Shyanne Cox- niece, Javaun Cox-nephew, His partner Mike Eoff(a huge thank you for loving him just the way he was) Louise Pirnie- maternal grandmother, Aunts, Uncles, cousins and friends.
