“ *My grandpa was the love of my life we went fishing we went snaking to catch snakes same with chameleons he was always there for me he would answer every questions that I had so please make sure to spend time with the family that you know that are gonna pass I've been crying every day because now I have no one to do that stuff with me but this the only way you can grow mentally you can't grow with easiness this is apart of life so don't let this get to you think of the good memories that you had with loved ones*

“ *The Grit Family,
Sharing in your sadness as you remember your Dad." Your pain is the breaking of the shell. Therefore trust the physician, and drink his remedy in silence and tranquility: For his hand though heavy and hard is guided by the tender hand of the Unseen, And the cup he brings ,though it burn your lips has been fashioned of the clay which the Potter has moistened with his own sacred tears".*
