

Andrew John Kowitski

February 17, 1935 - November 13, 2025

Andrew John Kowitski 90, of Cape Coral FL, passed away on November 13, 2025. Born on June 17, 1935, in Newark NJ, he was a devoted husband to Nancy and loving father to Chris, Jackie, Cheryl, Andrew and Steve. Dad was hard-working and a dedicated father to his family. He spent forty years working as a wallpaper hanger where he was known for his hard work and outgoing friendly personality. Despite many responsibilities, he always made time for his family and his passion for traveling with the family on exciting adventures. Though Dad spent most of his time working and providing for the family, he was a man of kindness and self-sacrifice. He leaves behind a legacy of love and the strong values he instilled in our family will continue to guide us for the rest of our lives. He deserves to have his long years of fatherly love honored. Dad's hobbies and interests helped define who he was. He enjoyed fixing things around the house and his creativity gave us all talent from his curiosity and creativity.

His

passion for traveling opened our eyes to the world and we will continue that

passion

with our children.

“ I had only met you twice. But I know your son Steve. He is a salt of the earth great man. That came from somewhere and I can only imagine it was you. I wish I knew you better but just know that the world is a better place because of the people you brought into it. You were a great father.
