“ Jane, Glen, Marilyn, David and Barbie I am so sorry for your loss. It is so difficult to believe that Andy is gone from this world. Oh how my heart aches for all of you! I am so blessed to have had Andy in my life! I'll treasure forever those memories of him as a baby and growing into a young man. Andy had a smile that would light up the room. I am heartbroken that he left this world so young.... as I wished for him a life full of love, light and laughter. Just like what he gave to everyone he knew.

Our lives took different paths over these past few years, but I have always kept him close in my heart and loved him dearly. Words cannot truly express how I feel... I want you to know that I'm sending Loving, Healing, Comforting Prayers to you all. Please take care and I hope that you will find peace and comfort in the memories of the life he brought to this world.
