“ *Dearest Rena, I just emptied my mailbox and found your notice, it must have got lost in the mail - I'm utterly stunned and so very very sorry. My heart goes out to you and your family. I've know Angel since 2007, he was indeed one of the best, a sweet, kind, hard working man. He would always light up with love and pride when I asked, "How's your family?" He will be sadly missed. Sending you prayers and strength.*

“ Babe, I can't believe you're gone from my life, It really hurts me, I miss you more than words can say! I remember the first day in 1982 our eyes locked on each other that was it for the both of us, True Love , Soul Mates, God sent me this Angel for sure he knew I needed him to be my Life!!! He is a Sweet Gentle and Loving Man, He Loved His Family and Friends!!!! He Enjoyed Spending time with his Family and Friends, He loved sports especially his Chicago Bears and Cubs, His Colleagues and Customers were important to him for sure and he took good care of them, he was the best at what he did, he enjoyed music we jam every Friday night, Chilling with me was his Favorite, he taught himself how to use the computer when they came out then he taught himself how to play the guitar he wanted to write me a song and play it for me on our big Anniversary, now I'll have to hear it from Heaven!!!! He's amazed me for all he had been thru and still could Smile and make me feel Loved He always said it was because I saved his life and I was the Best thing that Ever happened to him and if it wasn't for me he'd still be Lost but he has no idea how Whole he made My Life and now I'm left to Feel So Empty Inside!!! I wish I could Feel those Strong Arms Wrapped around me one more time My Love but know that I'll Be Your Wife When You See Me Again For Today, Tomorrow, And ALWAYS!! You are My World!! Love You Forever, Sweet-thing(that was his name for me) I'll Forever Love and Miss You!! TE AMO MUY MUCHO MI AMOR DI CORAZON
