“ *RIP my dear friend, its so hard to believe that your are gone but never forgotten. I Can remember when we all started school together, we were a motley crew. I can remember you and Mr. Ragen always dong something to each other in Voe Ag. Also I can see you Debbie Mcburnette MacLaine, Cindy Raulerson and I in classes together and always in trouble for talking. I wish that you were here with your crazy lady attitude and the love that you gave to Everyone. What's the saying to know you is to love you, that's truth you give that Jilly Bean fur baby a big hug. I am comforted knowing that you are in heaven watching over your family and friends. Love you and miss you. we will meet again*
