“ I would like to extend my sympathy to all of the family - Lucinda, Alex, Connie & Richard. Although out of contact for quite some time, I thought of your mom quite often. We were such good friends for so many years, and our times spent together will always remain highlighted in my book of memories. She was a warm and loving woman, a good mother and a great friend. I share in your loss and pray that God will comfort you in this time of sadness. Sandy Gill
