

Anneliese M Grasemann

February 10, 1935 - March 12, 2024

Anneliese Grasemann passed away peacefully on March 12, 2024; she was 89 years young.

She was born on February 10, 1935 and raised in the Glendale section of Queens, New York, a borough of New York City. Her love of learning & music started at a very young age with the guidance of her parents Paul & Emilie Grasemann, who immigrated from Germany in the 1920's. She and her brother Paul loved to reminisce about their childhood in Glendale.

Anneliese graduated from Richmond Hill High School and pursued an impressive academic career with a BA from Hofstra University, and a MA and PhD from New York University in Music History. She was a passionate educator of music and was on the faculty of Rutgers, Moravian, and most recently FSW.

In addition to her love of music, Anneliese was always devoted to the many cats she mothered over the years. She also loved swimming and fitness; they always were an important part of her life.

In retirement, Anneliese moved to Ft. Myers, Florida to be closer to her brother Paul and to enjoy sunny Florida. Anneliese always brought a ray of sunshine to everyone that touched her, so Florida suited her well. She thoroughly enjoyed her retirement at Pelican Preserve in Ft. Myers with the active lifestyle, pickle ball, and wonderful friendships. Anneliese is survived by her brother: Paul A Grasemann, nephews: Paul R Grasemann and Karl W. Grasemann, and niece: Karen L. Ciccarello. In memory of Anneliese, donations can be made to: The Gulf Coast Village Foundation - Scholarship Fund, 1433 Santa Barbara Blvd, Cape Coral, Florida 33991. The Grasemann family is extremely grateful to the compassionate care Gulf Coast Village provided for Anneliese.
