The Blasucci family would like to thank all of you for your kind words and enormous generosity. The family has received many requests from people regarding where they can send flowers or inquiring about what they can do to help the family following this tragedy. One

of Tony's greatest joys was watching his youngest son, Nick, play baseball. Almost every day, you could find Tony and Nick working on his hitting, pitching, or fielding. The family is committed to staying strong and rallying around this common goal to support Nick on this path, so that his father can continue to proudly look down from heaven. In order to best honor Tony, they feel that the most meaningful thing that can be done is ensuring his hope to see his son, Nick follow their shared dream of baseball. Therefore, in lieu of flowers if you would like to contribute to a fund set up for Nick that will help him continue his dream to follow in his father's footsteps, please send a note stating "My father's dream" and donations to: Suncoast Credit Union Nicklaus Blasucci Account # 4073033-00 Or send checks to: Nicklaus Blasucci 3272 Antica Street Ft. “ To the Blasuccis I worked under Tony with Nabisco, he was one of the nicest persons that I ever worked for. I was shocked when David Fedler told me of him going to be with the Lord and he will be missed Jeff Campolito

“ Kris, Was so bummed to read about Tony and my heart goes out to you and the boys. I will say that seeing his picture made me laugh because I can still hear him saying so many of the classic lines he always gave me, very few of which are fit to print on this site. We truly had some great times playing together in Birmingham and Vancouver. His humor and constant energy were infectious. Every time I hear John Cougar's "Cherry Bomb", I still think of him singing it in the hotels and on the buses. He certainly was proud of his family and wore it on his sleeve. May all those great memories give you comfort during this difficult period. Warmest regards, Tom

“ The Marshall family was very sad to hear the news. I very much enjoyed the times I had the opportunity to talk with Tony during our times at Buckingham Little League. I am so sorry for your loss, but please find peace in knowing that Tony touched the lives of many people in a positive way.
