

## Anthony Charles Harris

October 30, 1961 - October 25, 2020

Anthony (Tony) Charles Harris, 58, passed away suddenly on October 25, 2020 in Fort Myers, Florida. His final days were spent surrounded by family and embraced with love.

Tony was born on October 30, 1961 in Camden, NJ. He spent most of his life in New Jersey, residing in both the Camden County area and later in Cape May. Three years ago, he moved to Florida where he wanted to spend time with family, retire and live the rest of his days.

In his younger years, Tony traveled the world as a Marine, serving his country proudly. When he started his family, he worked endlessly to provide for them. The love he had for his family was bigger than the sky; a true family man. He didn't care where he was or what he had as long as he had them. He was a dedicated Philadelphia fan and always looked forward to his yearly Eagles games with his cousins.

Tony is survived by his loving wife, Michele, of 24 years, two daughters, Lauren Pote (Joseph) and Dorothy (DJ) Harris (Jordan); two sons, John Kirk (Frank) and Anthony Harris; and four beautiful granddaughters, Tegan, Rowan, Harper and Cora. He was preceded in death by his Mother, Francis Quaciari Chestnut. Aside from being a devoted husband, father, friend, Eagles fan; his role as Poppy was his favorite, he will be missed dearly by many

aunts, uncles, cousins, extended family and friends.

Tony will live on in the minds and hearts of every person he has ever met. A private ceremony will be held for immediate family only. We ask that everyone light a candle in memory of him.

“ Tony is my cousin. However, when we were growing up he more like a brother to us. I have so many happy memories of him and his Mom at our house, especially on holidays when we would all sit around the Dining Room table talking, eating and laughing. I know my Dad was more like a Father to him than an Uncle. Tony always had a smile on his face and knew how to truly love everyone around him. This is still difficult for me to believe. I will surely miss him. Love you cuz...Cathy

“ I can remember the first time Tony laid eyes on Michele.....😍... he came right up to me and asked me all about her. I told him to go for it, she was really a great person and he better be a really great guy (which he totally was). It wasn't long before he was sending her flowers to her job, showing me the choices in the flower shop next store.... he was nervous, but I told him she would love it. 🦋👍 SHE DID! and here we are 24 years later. They definitely had something special, it wasn't always easy but the loving bond they shared is forever. He may not be here today but you can bet your life that he is walking with his family EVERY STEP OF THE WAY...holding their hands, never letting go. 💔  
GO BIRDS!!!💚🦋💚

Think of the whole family and sending all our love and support, we got you. ❤️
