“ *Arnold cut my hair and my brother and sister', up until I was about 11 years old. Johnny and I look like we had bowls put on our heads and Arnold cut around them. He gave me my first job, sweeping and washing the stairs at 414 E. 187 St., the Bronx. He used to take me places like the Zoo, Empire State Bldg., Statue of Liberty and Ferry rides around Manhattan. He was a sweet man. I Love him very much and look forward to seeing him again.*
