“ *For some unknown reason, I dreamt of Russell and my departed husband, Larry, last night. So today I searched on Google and found that Russ had passed. I am so very sorry. My husband and Russ were friends when we lived in Chicago and then later when we moved to Ft Myers. Dorothy Bukauski*

“ Although I only had the pleasure of meeting Russell just a few times during visits with his two oldest daughters, Elizabeth Ann Wintle and Veronica Mary Wintle, he was a loving father to my half sisters. Even though the personal visits were far between, he remained in constant contact throughout their lives and should be rememebered as a caring and loving father. During our last trip to Florida in 2012, he spent quality time with my sister Elizabeth. Those memories will be cherished by her forever. You will always be in their hearts and will be dearly missed.

“ Russell Wintle was my cousin and I have many fond memories of him. I especially remember after my father and mother passed away that he got up and spoke at their services and it was a very nice tribute to them. I also remember after my father died that he would come and pick up my mother and take her, along with his mother from Shady Rest Nursing Home, and they would go for drives and get ice cream. He also would bring his mother for a drive to our house for a visit. He was always very cheerful and loving. He will be missed. I would also like to mention that he has a sister, Judy Wintle Hutchinson in Andrews, NC. In loving memory of Russell. Love, Ron and Gail

“ I was so sorry to hear of Russell's passing. I am very grateful that Gail Uzelle notified me of his passing today. I enjoyed so much visiting his mother Jewel at Page Field Commons and hearing her talk about Russell. She always loved going on outings with Russell and she was always mentioning her daughter Judy. I have known the family since I was a young girl, as they lived in the Edison Park community where we all grew up. I wish his family my love and caring thoughts at this sadden time. He will be missed by many. May God Bless you Marilyn and Sharon,
