“ *Jr, our brother Terry said it best. You are missed and loved. Even though it breaks my heart losing you, I know you're with mom and dad. Give them my love too. You will always be in my heart. Love you baby brother. Your big sis Tina*

“ *My little brother no words can tell you how much I already miss you Being a great brother then becoming a greater father The world lost a great man but heaven will have a greater angel. I am thinking of all the great times growing up and I will always wish I had more time with you My love goes out to your family and I know you will be missed by your friends As you go and be with Mom and dad please always know how loved you are Your boys have grown to be great men .And you might be gone but you will never be forgotten Always love for you my brother Terry*
