

Bailey Seida

September 19, 1941 - September 19, 2020

Seida, Bailey A.

Sept. 19, 1941 - Sept. 19, 2020

Bailey spent his first 30 years in Oregon, attended college and served in the National Guard before moving to Minnesota. There he attained his Masters Degree, married Nancy Barton and had a daughter and son. In Minneapolis he partnered in creating H.A. Holden, a nationwide company. In 1999 Bailey and Nancy retired to Sarasota, FL. where they enjoyed a happy and beautiful retirement.

On his 79th birthday with family at his side, Bailey's soul took flight. He is survived by wife Nancy (Barton), daughter Lindsey (Seida) Henning, son-in-law Doug Henning, son Judd Seida, sister-in-law Connie (Barton) Easterly and brother-in-law John Barton.

Bailey was blessed by all the people who passed through his life, which made him the wealthiest of men. He loved your wit, sense of humor and generosity of spirit. His greatest pleasure was making you laugh. His collections of quirky t-shirts and hats were legendary.

Please carry Bailey in your hearts by making someone laugh or doing an extra good deed in his name. Thank you all for what you brought to him.

A celebration of his life is planned for next summer in Minnesota. Memorials can be made to Tidewell Hospice Sarasota, Insulin For Life USA, Inc., or a charity of your choice.

“ *Bailey was my BIL, full of life, humor, and generosity. It was a joyful experience to visit his beautiful Sarasota home, take Mikey to the beach, have breakfast at Millies, find a bag of candied orange slices on my pillow, or multiple boxes of candies fruit slices in my guest room.*

His generosity was known to friends and neighbors. A trip to Publix with him was the best entertainment. On his daily shopping journeys, he always came home with a bouquet of flowers for Nancy. I will miss you always.

“ My husband and I - both born and bred in Minnesota - moved to the Country Club of Sarasota in 2013 after retirement. On one of my early days here, I happened upon Baily chatting with a neighbor & stopped and introduced myself. He was smiley, bright and friendly in that Minnesota way: not too intrusive but quick to keep the conversation light and respectful. Ah, a kindred spirit in this strange land, thought !! I would see him at HOA meetings and always found his contributions to be spot-on. Recently, Barry spent many hours doing research about a matter of concern to the HOA and presented his findings at a public meeting of the full Board of Sarasota County Commissioners. His presentation was, in my opinion, masterful. Thanks, Barry, for making me feel good about this community and for your generosity. RIP, kind sir, Monica Ryan

“ There is no way to sum up 40 years of memories. Don and I enjoyed Bail's wit and his intelligence. The man was truly a generous soul. Don't even think you're going to pay the tab if the Kraut is at your table. We loved him and will miss him. Lucky man was blessed with a wonderful wife and family. RIP, Bails.

“ *Bailey was exuberantly himself, sharing his joy, sense of humor, generosity, intensity, vision, and interests with everyone. Just thinking of his antics makes me smile inside and out. Not one to sit idly by, he motivated us to identify work to be done and plans to be made. Thank you for spicing up our lives!*

*Love,

“ *Bailey Seida, an extraordinary guy who was always the funniest person in the room and could get a laugh out of the most stoic person on earth. Nancy and Lindsey you have our utmost sympathies in the loss of 'ol Bail. Gone too soon, that's for sure. Hugs from Jan & Mark*
