“ *I was so sad to see this Obit today! I haven't seen Barb in years and was looking for Tim and Barb on google when I came across the obit.  
My heart goes out to Tim and the kids. I worked with Tim for many years and got to know Barb thru our work.  
GOD BLESS and Rest in Peace my friend!*

“ *I know Barb has been struggling for quite some time. It is still always a shock to hear of someone at this age passing. Rest in peace Barbara, you will be missed.*

“ You were the best friend anyone could have. You listened when I needed to talk, you laughed when you knew I needed to, and you told me the blunt truth even when I didn't want to hear it. We weren't close, but I loved you nonetheless! I'll miss you, Barb. You made me to never stop believing...and I won't!

“ *We all feel like it was too soon for you to go, but apparently it was the time. I love you so much, and miss you more than words could ever say. You're free now, no more pain, no more worries. We'll be alright, as long as you keep watch over us. I love you.*
