Barbara Jones, 79, of Naples, Florida, passed away peacefully in her bed on the morning of July 21, 2024. “ One of my favorite aunts known for her great sense of humor and her kindness. Coincidentally she and I gave birth to our first child on the same day - Christina and Christopher. It was a bond that kept us near and dear. I will surely miss her. Gwen Blackwell

“ I knew Barbara when she lived in Lehigh Acres. She always had a smile on her face. I always enjoyed talking with her about President Trump. We both just absolutely love him! I will pray extra hard for him to become president again just so your mom's wish can become a reality. She was so proud of her daughter and family she created. Prayers for the family.
