“ I was fortunate to have Barbara in my life for over forty years and even though periods of time would pass when our lives took different paths, we always managed to find each other and reconnect. I could always count on her for support and encouragement. One has only to read the messages here to realize what a truly special and unique woman Barbara was. I will miss her forever and cherish her memory in my heart. My love and sympathy go out to everyone whose lives she touched and especially to the family she loved so much.

“ Dear Peter, Robin and Julianne ... For all the 10 years I've know Barb I've considered her a very special person. For all of us left behind our hearts are broken and we are and will continue to miss her unbelievably. That said, my heart sings to think of that moment in Heaven when she saw her beloved son Paul and both of her dear parents waiting to greet her.

I feel gratified to think of her happiness, peace and joy as she lives on in Heaven with those she missed so much in life...

“ I am so sorry that I will not be able to attend Barbara's service because we were very connected spiritually and professionally. We prayed often for each other and for others in our lives. Mostly we laughed together about some of the tears we had shed when all seemed desperate. I will never forget how supportive Barbara was when I was down. I can only imagine how wonderful it would be to be her child. God bless Peter and all her children.

“ Dear Peter, Robin, Julie, Carol and Linda - I can not tell you how deeply sad I am for you and all of Barbara's extended family and all her Friends. When I moved to Sarasota in 1981, she was my very first friend and over the next 30 years we had so many wonderful times together. We laughed and cried over important things and just plain silly things. She was a wonderful person and an exceptional friend. I miss her so much but am so fortunate to have all those memories. She will always be in my heart.

“ To The Family,
Special People were put on This Earth with A Special Purpose in life. Barbara was one of them.
She has shown Love and Kindness to all that this World So Desparately Needs. Her soft words of Encouragement made trying times seem to fade away.
Barbara's Love For Her Family was beyond question. Even with the loss of her son Paul and her illness, Her Spirits were Forever High. The loss of one so dear cuts a hole in your soul. Not wanting to let go of the hand you held through life. Not ever wanting to say those words, "Good-Bye".
Barbara was a Great Woman, Mom, Grandmother and Wife who Loved Her Family and Friends. And in my trying times, I'm sure I will hear those Soft Words of Encouragement in My Soul.
I will Truly Miss Barbara beyond what words can express.
All My Love and Prayers To The Family.
