“ Bertella Tulloch ,(Sister B) was a mother figure to almost every one in and around her community. She helps both in cash and kind . When you saw her you would be greeted with a smile. She was humble loving kind and sympathetic , she was a #1 giver and not expecting anything in return. Yet through many dangers toil and snear she have already come but the grace that brought her safe thus far will safely brought her home .My family and I will never forget your kindness to us. Sleep on sister B you will forever be in our hearts (Miss Nicey)

“ Miss Bea was a woman of faith in God! She strongly believed in praying as we did quite a few times for the pain she had often. But it did not stop her from working in her garden, which gave her much pleasure!
