“ *I am Betty's neighbor Susan. I was so sorry to hear of Betty's passing. I try to keep up with the news but missed her notice. She was a wonderful neighbor for many years. I have lived on the street since 1978 and have known Pete and Betty since they moved in. I would often speak with them as I walked my dogs and they walked theirs. I recall their chocolate lab named Penny and remembered helping Betty bathe her. Betty was so shocked that the dog repelled water. I explained to her that labs do that. She was so happy that I helped her. And Pete would just hold onto her leash and be pulled around the block, but he was always so proud to have her by his side. I also remember the little fluffy dog but her name escapes me. Betty loved her as well. Where do all the years go and time flies by us all. Thank God for our memories and good neighbors. Again by deepest condolences to you all. I bet Betty was glad to be reunited with her Pete in heaven. You all in my thoughts.*

Sincerely Susan Morris
