“ *Beverly's mother taught at the school next to my house before she married Ken Walker. My mother became good friends with her and it carried on after she got married and had children. We would often go to Weston to see the Walker family and as children we played together. In later years Beverly lived in Rutland and my wife helped her with her Dutchmaid Clothes business .After many years We renewed our acquaintance by visiting her in Vergennes..We will forever remember the good times we had. May God give comfort to the family.*
