“ *Hello everyone, my name is Johanna Trujillo;
this is my beautiful grandmother.*

“ Hello everyone, My name is Joseph Rios Burgos and I am the grandson of Bienvenida "Benny" Rivera. I want to say thank you to all that have helped me make my grandmother's funeral a peaceful one. My grandmother was like a mother to me. I loved her so much. She was always there for me when times got tough. She always consulted me through life. She practically raised me as a child. She was such a GREAT cook. Everyone always loved her food and her smile. She has her own recipe's and her way of showing you her love. I am going to miss her so much. I remember all the time going to her house to visit and when it was time to go she would always ask me if I needed anything and I would tell her no I'm ok. And she would find a way to sneak some money in my pocket or a bag of her delicious left over food I would take home. She was ALWAYS there for me. Grandma I Love You so much!!! And you will FOREVER be in my heart! Thank you for raising me, caring for me, and always giving me advice. I can only wish that the government would come up with a cure for dementia. But even though you had that illness, you still knew who I was. You truly are the beautifullest grandmother that a grandson can never have, with a heart of gold. So with that being said I just want you to know that now you can rest in peace and and wait for me next to jesus, for when my time comes.... We will meet again. . I LOVE YOU.. Your grandson. Joseph Rios Burgos xoxo
