“ Hey there Dad. Oh I wish I was talking to you embraces in your amazing hugs. You were home to me and in that embrace I felt safety, security, and love. You never gave up on me even though you wanted to a few times. I miss your spirit. I feel when you left you took my smile with you. Every pic I have with you or in those days I was always smiling. I've lost it dad. Help me to find it again please. It broke me to see sams post. Oh how that boy loves you. I hope y'all are up there thanking God for getting you out of all the craziness down here in the world. You were losing patience with sams generation. You should see the kids now.
