“ *RIP Daddy. Your with grandma now and I know you guys are watching over all of us. You were the best dad I could ever ask for. You taught me alot. I love you more then you'll every know daddy. I can't believe your gone. I will live my life to my fullest potential using everything you and grandma taught me. You and grandma both had the kindest hearts and there could be a million bad things about someone yet you guys would find the good in them. I guess God decided you've touched enough peoples life and it was time for you to come home. You will always be with me in my heart. I love you, #1 Dad!!!*

I love you Jesse. I'm thankful you guys fixed your relationship and became close before he had to go to heaven.
