“ Charlotte, Noah and I are so sorry to hear of your loss with Bonnie's passing. Ed, with you attending all of my children's births, Scott and Noah playing and working together, and seeing you and Bonnie at all those BB games, I feel that you are all a part of our family. And though I share in your rejoicing for Bonnie's triumphant entry to the presence of our Lord Jesus Christ, I can only imagine the deep sense of loss that you are feeling now without her physical presence. She is a beautiful and wonderful woman who was blessed with a great husband and family. Unfortunately, I will be "in house" call at Cape Coral Hospital Tuesday, but will have you in my thoughts and prayers. With deepest sympathy and gratitude for Bonnie and you. David Gaar

“ Dear Ed,

I am so sadend to hear of Bonnies death. I love her dearly. I have always had wonderful childhood memories of her. Especially when she would play Here Comes "Peter Cotton Tail" hopping down the bunny trail at Easter time for me. She could really tickle those piano keys. I also have always remembered when you 2 were married and the helicopter flew in to take you away. That was about 50 yrs. ago. you guys were very special to that little boy. Bonnie and you have always remained in my mind all these years. I wish we all could have lived closer together so we could have been together more. If anyone ever went to heaven, we know Bonnie did and that we have faith that we will all be together again some day but, I am still sad now. I don't know whatelse to say except you will always be on my mind, and Bonnie will always be a wonderful memory that I will never forget.

God Bless and take care.
