so much..

We never had to wonder

if we were important to you...

Thanks for loving us-

for us to love you, too."

“ Words can't explain how much I miss u. So many memories that I have to look back on an I'm so thankful for that. U were the best grandmother any grandchild could ask for. U were always there for me and I for u. I hear u talkin in my mind all the time. I know your still here with me. When people talk about certain things, I can hear exactly what I know u would say and I say it. Ill never forget the last day I had with u. I even remember what u were wearing an the last thing u said to me. I miss u so much and I wish I could have another hug and kiss. Until we meet again in heaven, know that I am always thinking of u. I know ur spreading your love in heaven and I know everyone loves u just as they did here on earth. I love u grandma! More than u will ever know

“ I've been sitting here staring at the screen... wondering what to say... there are just no words... "I'm sorry" just doesn't seem like enough and I know it won't change what Uncle Tom and the whole family is feeling. All I can say is "I love you". HUGS :(

I will miss your cheery voice on the phone Aunt Bonnie. I always enjoyed your "checkin in" calls. Luv ya. XOXO

“ Grandma, it's hard to believe you have been gone for as long as you have. I don't like how fast the days are going by with out you. I feel so guilty going about my every day life, knowing that you aren't here too. I know that you want me to smile, so I am trying my hardest. I love you and miss you so much. Words are not sufficient. I love you.

“ Your Mom was so sweet. Never had an unkind word to say to anyone. One of my favorite stories was when I called her on April 15th one year and told her I worked for the IRS and didn't see her tax return on my computer. She got all flustered and told me she personally handed it to the mailman and I should have it! We went back and forth for a while till I finally cracked up laughing and she said "Florence" and started laughing too in a relieved kind of way!!! We always smiled when we were around her. She was filled with love and now she lives on in everyone's heart.
