“ *I hope that the Park Family will accept my condolences regarding the passing of the family Patriarch Brad approximately 30 days ago. Brad was a very talented and respected gunsmith and I met him when I asked if he could repair one of my firearms. I had already tried the manufacturer twice, and two other gunsmiths but they were not able to repair the shotgun. The last gunsmith I went to before meeting Brad said "I can't fix it but if anyone in this area can repair it, Brad Park is the man to see." I have no doubt he would have repaired it if the insidious cancer had not overtaken him. Brad was a class act who was always willing to share his knowledge with me. As I am a Firearm Appraiser, Brad allowed me the privilege of appraising his 1915 German Luger handgun. I will always be grateful for his generosity of action and his generosity of spirit.*

*Best regards to the Park family,

“ Please accept our deepest sympathies over the loss of Bradford. We pray that God will provide the family with the strength needed to endure this difficult time. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. Jworg
