“ Beautiful Brenda*

*There are NO words in the human language that could ever ever come close to explaining what this world feels like without you. Every single Middle School and High School memory I have YOU are in it. . .thank you for that gift. . . I wish we were kids again. I wish we were those fun loving members of the gang again (Head Gang Leader- Kathy Hough-Black)! Best friends in the world. . we all should have stuck together. . .but life has a way of swallowing us up. . .and stealing precious time from people that we LOVE. My sweetest love to your entire family. I hug you in my thoughts I hope you feel it.
I will forever bask in the glow of your beautiful face !!!!! I love you really and truly.*
