“ Justin & Ashley- I am so sorry for your loss. What I remember most about your father was how proud of you that he was. I will never forget listening to him play the keyboard while Ashley would sing along when we were kids. I will always remember how gentle and kind that he was when I woke him up at the wee hours of the morning because I got scared when I slept over your house. He was a great man and we were all lucky to have known him. You are both in my thoughts and prayers. Sending lots of love from MA.
