

## Brian August Marinelli

January 8, 1990 - October 24, 2017

Brian August Marinelli, 27, born and raised in Baltimore, Maryland, resident of N. Ft. Myers, Florida for 1 year, passed away on October 24, 2017. He was a dedicated employee at RaceTrac. Brian had many hobbies, his favorite being playing music on his guitar. He had just purchased one that he was truly in love with. He also enjoyed playing video games. "Pokémon Go!" being one of his go-to's. Brian was a true gamer. You could always count on him playing his xbox, handheld or even a silly game on his cell phone. In his spare time you could catch him watching Star Wars, Disney movies or even a documentary on Discovery Channel. He loved nature and enjoyed "just chillin" at the park in our town of Parkville. Since here in Florida, he could always be found spending his mornings by the pond in our neighborhood, while playing music or a video game. He will be sadly and overwhelmingly missed by his family and friends. He is survived by his parents Don and Stacey Briggs. Also, David Marinelli. Two sisters, Brandee Marinelli and Alyssa Briggs. Brother, Bradley Lombardi. Step brothers and sisters; Brittney Potter, Brittney Briggs, Brandin Briggs, Nicholous Briggs, and Don Briggs IV. His grandparents; Linda Brunner, Cynthia and James Gaunch, also John Healy. Aunts and uncles; Keith Thompson, Alea Bosley, John and Teresa Healy. His best friend; Nickolas Wernick. Flowers and/or donations are made to M.A.D.D. Service will be held at Gendron Funeral Home, Wednesday, November 1, 2017 from 3p-5p. A separate memorial service and celebration of his life will follow this spring in our hometown of Baltimore, Maryland. Date and time are to be announced.

“ Here is one memory we will always cherish! Brian loved being around musicians, going to concerts and playing his guitar, which he played extremely well. We would take Brian to the Warped Tour, and he absolutely loved seeing his Uncle Keith playing the bass and killing it! Then we would go to another stage and watch another awesome band. We had great times together, and we will always cherish them. So thankful for the great family gatherings we had. We love you our precious grandson, Brian A Marinelli. Love, Mom Mom and Pop Pop Gaunch

“ From family in Baltimore, we are so deeply saddened by the loss of our dear nephew Brian A. Marinelli. We can draw comfort from the words of Jesus who said, "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. For I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." May we all be comforted by the truth of these words in our time of mourning. Brian, I know Nanny has welcomed you with open arms. She loved you dearly. Until we meet again, you will always remain in our hearts. Love, Uncle Todd, Aunt Terry, Rachael, Daniel and Allison.

“ Stacey and family, my heart hurts so much for you right now. I cannot imagine your pain. Seeing pictures of Brian, it looks like he was a fun-loving young man. I will continue to lift you up in prayer, and hope you are surrounded by love through this.

“ I love you Brian. Over the passed few days my mind has been flooded with so many memories of us hanging out. It makes me sick that you're gone and we were never able to talk at the end. I'd give anything to say goodbye to you and tell you how much I love you. I hope that you didn't suffer and that you're now in a better place. I have to believe that. You had a beautiful heart. You said some dumb shit sometimes but your heart was always in the right place. I wish I could come be with the family tomorrow. Money doesn't allow me to do so unfortunately. Do me a favor and send me a light or two along the way to help me believe that you're looking down on me. We won't let your light go out here on earth. Your memory will always live in us. I love all you guys and I'm so sorry. Stacey and Brandee you guys are constantly in my thoughts. I know this is tearing you up. I've been so upset I can't even think straight. This will never make sense to me. I've been listening to music and bands that you loved because that's been everything to us, music. It's all we have. I hope I get to see that smile again. I love you buddy. - your uncle Keith 🥺

“ *Rip my son love always your father.*

Would you hold my hand  
if I saw you in heaven?  
Would you help me stand  
if I saw you in heaven?  
I'll find my way through night and day  
'Cause I know I just can't stay here in heaven  
Time can bring you down, time can bend your knees  
Time can break your heart, have you begging please,  
begging please  
Beyond the door there's peace I'm sure  
And I know there'll be no more tears in heaven  
Would you know my name
