“ *Its hard to find any words that would be meaningful enough to help ease this painful nightmare. Someone once quoted this to me from the book "Why Bad Things Happen to Good People". I'm paraphrasing it but its close to what I remember.*
If Life is a Tapestry then you must realize that the beautiful front side is uniformly stitched and displays a perfect picture made of colorful threads. When you turn it over you can see all the threads that made the picture of life so beautiful...some are long and some are very short as well. Brix' short thread has added to the beauty of your lives. I send you my deepest condolences and prayers for healing. Candy
