“ Bruce was actually born 4/7/1957 in Bethesda, Md to an unnamed birth mother. He was subsequently placed for adoption and adopted by the McRobbie family. He lived in various states throughout his life. Sadly, he never graduated high school, thus living a varied, meager and often difficult existence. Often living on the streets and public parks of Sarasota and surrounding areas. It is difficult to tell for sure, but his passing in 2018 may have been somewhat of a blessing for him. May he rest in eternal peace.
