

Bruce Siciliano

June 7, 1950 - September 4, 2010

Bruce Joseph Siciliano, 60, of Fort Myers, Florida passed away September 4, 2010.

He was born June 7, 1950 in Pittsburgh, Pennsylvania, the son of Eugene and Lillian Siciliano.

Raised in both Penn Hills, PA and Hollywood, FL, he first graduated Cum Laude from Old Dominion University (Virginia). In 1978, he graduated from Ohio State University with a specialty in City and Regional Planning. He married Amy Kordenbrock in 1979, moving to Manatee County, FL to work for Bradenton City Planning. He had two sons, Shane Joseph (1982) and Scott Alan (1985), before he moved to Lee County to contribute to its development. His many projects, especially Avalon Park (Orlando, FL), have been cited examples of development best practices. The diverse team of professionals from these endeavors still cherishes both his work, and his memory.

He leaves his two sons, Shane of Pittsburgh and Scott of Harrisburg, PA. Together with Bruce's sisters Janis Toner and Susan Siciliano of Virginia Beach and Fort Myers, brother Robert Heim of Fort Myers, and his many cousins, nieces and nephews from across the country, all will join in Fort Myers for his memorial.

On Saturday, September 18 at 2:00 P.M., an open service will be held at Gendron Funeral & Cremation Services Inc., for all of Bruce's family and friends.

In lieu of flowers, send contributions in memory of Bruce to the Lee County Alliance for the Arts at 10091 McGregor Boulevard, Fort Myers, FL 33919-1091, (call the Alliance at 239-939-2787).

“ My life is better for having known Bruce and so are the lives of those whom I interact with. Many of my most memorable moments include Bruce. From seeing Carlos Santana from the fourth row of floor seats in Tampa to strolling along Ocean Drive in South Beach and seemingly everywhere inbetween. His house project was lots of fun. That smile he wore everywhere he went will remain etched into my mind in perpetuity. My very sincere condolences to Shane & Scott and the rest of the family & friends.
