“ *My memories of Bryan will stay with me forever. He always had a smile on his face. Always happy. Your family really helped me out during some tough times and will forever be grateful for that. God has called Bryan home for a reason. We may never know that reason, but God has a plan for your beautiful child. RIP. One love.*

“ Bryan - You were a great person, nephew, and friend. You were always great about making time to visit all of your family and friends. Each of these visits from you meant that everyone was about to have a great time. You would always make sure of that. We'll always remember all the great times we had together especially the joy we shared when the Red Sox finally won it all. You may have been taken from us too young but they cannot take the love we have for you. That is something that lasts forever. Rest in peace my good friend!
