

Calogero "Charles" Giordano

December 15, 1956 - May 6, 2022

Charles Giordano, 65, of Lehigh Acres, FL passed away on May 6, 2022. Lehigh Acres was the promised land to Charles. Arriving to Florida in 1990, and leaving his five brothers, his father Mario and his mother Vincenza back in NJ. He knew he heard the beat of a distant drum that had to be answered! That he did! After landing in Camile Gardens and establishing his home, he went back to NJ to help grandma Maria, they decided Florida would also be a great place for Nonna Maria, so Charlie packed her bags and brought Nonna to Florida too. There she would live the remainder of her life with Charlie. During these days Charlie made friends with the Conte, Bobbie & Steve. They took Charlie in and soon Charlie had an extended family! I watched Bobbie and Charlie become like brother & sister! Charlie had many challenges, but in the end, they proved too hard to battle. Other life long friends that Charles always spoke of were Patty & Mike, Tony and his brothers whom he loved! Rest finally my brother, hope to see you there!
